

**DEPARTMENT OF SOCIAL AND HEALTH SERVICES  
MEDICAL ASSISTANCE ADMINISTRATION  
Olympia, Washington**

**To:** All Providers  
Managed Care Plans

**Memorandum No. 04-85 MAA**  
**Issued:** December 6, 2004

**From:** Douglas Porter, Assistant Secretary  
Medical Assistance Administration (MAA)

**For further information, call:**  
1-800-562-6188

**Supersedes: 03-97 MAA**

**Subject: Year 2005 Healthy Options, Basic Health Plus, Primary Care Case Management, and SCHIP Updates**

**Effective January 1, 2005**, managed care clients will see changes to the following programs: Healthy Options (HO), Basic Health Plus (BH+), and State Children's Health Insurance Program (SCHIP).

## **Healthy Options/State Children's Health Insurance Program**

- **County Changes:**

The health plans currently available in 2004 for each county will continue to be available in 2005. See Attachment I for the 2005 contracted health plans and the counties where they are available for each program (HO/SCHIP and BH+).

- ✓ Asotin and Wahkiakum Counties remain fee-for-service (FFS) only. There are no plans participating in these two counties. Clients may go to any provider who accepts MAA's FFS reimbursement rate. Providers must bill MAA directly.
- ✓ Enrollment in a managed care plan is "voluntary" for HO and SCHIP clients in the counties listed below. Clients eligible for the HO or SCHIP program can either enroll in a managed care plan that is accepting new clients in that county or choose FFS.

Clallam	Garfield	Kittitas	Thurston
Columbia	Jefferson	Klickitat	Whitman

- ✓ Counties not listed above are considered "mandatory" for enrollment in a managed care plan. Clients eligible for the HO or SCHIP program in "mandatory" counties must select and enroll in one of the managed care plans available in the county. If these clients do not select a plan, they will be automatically enrolled in a plan chosen by MAA.

**Note:** Counties designated as "voluntary" or "mandatory" may change during the year. Check the *County* page at <http://maa.dshs.wa.gov/ipndweb> for the latest information.

- **Plan Changes:**

Some plans are accepting clients only in certain areas of a county. HO/SCHIP plans have limits on the number of clients they will accept in each county. Consequently, the availability of plans in an area may change during the year. Please call the plans and/or check <http://maa.dshs.wa.gov/ipndweb> for the latest information on each county.

## **Basic Health Plus**

Regence BlueShield will no longer be available to Basic Health clients in 2005. This means clients in the BH+ and Maternity Benefit programs will need to choose a new health plan. See Attachment I for a complete list of health plans and the counties where BH+ and Maternity Benefit Programs are available.

## **Primary Care Case Management (PCCM)**

**There are no changes in the PCCM program at this time.** Currently, American Indian/Alaskan Native clients enrolled with PCCMs have “PCCM” listed in the HMO column on their DSHS Medical Identification card. Providers must contact the PCCM prior to providing non-emergent services. The name and telephone number of the PCCM is located in the bottom right-hand corner of the client’s Medical Identification card.

## **Healthy Options and SCHIP Enrollment Benefit Books**

**New HO and SCHIP enrollment benefit book is available!** The new enrollment benefit book, “Your Medical Book”, is now available. The DSHS publication number is 22-542(X) (Rev 5/04). It includes information about the HO program as well as information about the available managed care health plans for all clients.
